DIRECTIONS:

Shake well before use. Mix with food (preferably wet or dry food) or give directly by mouth. Follow the doses below or your veterinarian's directions. Use daily for best results.

DOSE BY SIZE (DAILY):

Toy (<10 lb): 1/2 dropper
Small (10–30 lb): 1 dropper
Medium (30–60 lb): 1 1/2 droppers
Large (60+ lb): 2 droppers

For a customized dose, consult your veterinarian, especially for senior or active dogs, or dogs with health conditions.

CAUTION:

For pets only. Before using any product, consult a healthcare professional about potential interactions or other possible complications. Do not exceed the recommended dose. If your pet has an allergic or other adverse reaction, consult a veterinarian immediately.

DO NOT USE IF SAFETY WRAP IS DAMAGED OR MISSING.
